Last week, our school organized an educational trip to the National Science Museum. We departed at 7 a.m. and arrived two hours later. The museum was colossal, with interactive exhibits about space exploration, robotics, and renewable energy. The most captivating part was the planetarium show, where we observed constellations and learned about celestial phenomena. Before heading back, we visited the souvenir shop to purchase memorabilia. The trip was both enlightening and exhilarating.

11. What is the main purpose of the text above?
    A. To describe the museum's architecture
    B. To retell a past event in chronological order
    C. To persuade students to visit the museum
    D. To explain how the planetarium works

LIVEWORKSHEETS

12. What made the planetarium show memorable?
    A. It was free of charge
    B. It displayed constellations and celestial phenomena
    C. The teacher gave a quiz afterward
    D. The students could operate the telescopes

13. What tense is used in recount texts?
    A. Simple present tense
    B. Simple Past tense
    C. Present continuous
    D. Simple future tense

14. The trip was both enlightening and **exhilarating**, the opposite of the bold word is?
    A. it was terrified
    B. It was boring
    C. It was mind-blowing
    D. It was unexciting

The sun was shining brightly as I woke up on the morning of Indonesia's Independence Day. I was excited to celebrate the day with my family and friends, and I was especially looking forward to the sack race. I met up with my friends at the local park, and we all put on our sacks. The race was about to start, and I was feeling nervous but excited.

The whistle blew, and we all started hopping. It was hard to keep my balance, and I was falling behind. But I kept hopping, and I slowly started to catch up. As I got closer to the finish line, I could see that my friend, Budi, was in the lead. I knew that I had to give it my all if I wanted to win. I hopped as fast as I could, and I finally crossed the finish line just a few steps behind Budi. I was so happy that I had won!

I celebrated my victory with my friends, and we all had a lot of fun. It was a great way to celebrate Indonesia's Independence Day. I learned a lot from the sack race. I learned that it's important to never give up, even when things are tough. I also learned that it's important to have fun, even when you're competing. I'm glad that I had the opportunity to participate in the sack race on Independence Day. It was a great way to celebrate my country's independence, and I made some great memories that I'll cherish forever.

15. What was the main event that the author was looking forward to on Independence Day?
    A. Celebrate Independence day.
    B. made some great memories
    C. the snake race
    D. the sack race

16. Statements below are things he learned from the race**, except**....
    A. He learned that it's important to never give up, even when things are tough
    B. He learned that it's important to celebrate Indonesia's Independence day with other people.
    C. He learned that it's important to be a winner
    D. He also learned that it's important to have fun, even when you're competing

Rearrange the jumbled sentences below into good paragraph.

Read the *dialogue* to answer the questions no 27-29

Andi: Hey, Fathur! There's a new sci-fi movie and a comedy film playing at the cinema. Which one do you think we should watch?

Fathur: Well, I'm not a big fan of sci-fi. The comedy sounds fun, but I heard the sci-fi one has amazing special effects. What's your preference?

Andi: I love action and futuristic stories, but I don't mind a good laugh. The comedy has great reviews too.

Fathur: True, but the sci-fi movie is longer, and we might get bored. The comedy is only 90 minutes.

Andi: That's a good point. Oh, look—the sci-fi film has an early discount ticket!

LIVEWORKSHEETS

Fathur: Really? Then maybe we can watch that first and see the comedy next week.

Andi: Perfect! Let's go for the sci-fi today. Thanks for helping me decide!

27. What is Andi and Fathur discussing?
    A. Buying cinema tickets
    B. Choosing a movie to watch
    C. Reviewing a film
    D. Planning a party

28. Why does Fathur hesitate about the sci-fi movie?
    A. It's too short
    B. He dislikes sci-fi
    C. It has no special effects
    D. The tickets are expensive

29. What makes Andi finally choose the sci-fi movie?
    A. Fathur insists on it
    B. It has a discount
    C. The comedy is sold out
    D. They both love sci-fi
