

NAME:

1- Circle the correct option that best completes each sentence.

1. Charlie decided to mail the letter even though he felt sick because it felt (**final / wrong / risky**).
2. The policemen found Charlie (**walking / making snow angels / pale blue and asleep**) after the party.
3. Charlie didn't tell his parents the truth about the party because he didn't want (**to be punished / to get his friends in trouble / to go to therapy**).
4. When Charlie saw his haircut, he realized he had used (**a brush / scissors / a razor**) without realizing it.
5. At school, Charlie was teased for wearing (**a tie / a hat / a suit**).
6. Sam helped Charlie overcome his panic by telling him to focus on (**the smoke / her voice / a memory**).
7. According to Sam, "the trance" happens when you don't (**sleep / talk / focus**).
8. Charlie's English teacher praised his paper on (**On the Road / This Side of Paradise / The Catcher in the Rye**).
9. During the conversation at Big Boy, Charlie referenced a scene from (**a Fitzgerald novel / a Kerouac poem / a Beatles interview**).
10. At the end of the chapter, Charlie describes Sam's smile as (**awkward / slow motion / distant**).

2- Answer.

1. Why do you think Charlie didn't tell the truth about what happened at the party? Was he protecting others or himself?

2. What do you think about Charlie's reaction to LSD and how Sam helped him? Was it a turning point?

3. Charlie started smoking after a difficult day. Why do you think some teenagers turn to smoking or other habits when they feel stressed? Do you think it helps or makes things worse?
