Read the text. Choose the right words and write them on the lines

Could you be an astronaut?

You may be one of the many young people ***who*** want to travel into space. So (1) ..... you the right kind of person to be an astronaut?

First, you must be very sure that this is the job you want because astronauts have to study and work hard (2) ..... many years before they are ready to go into space. You must like and be good at science and engineering because (3) .....astronauts have to study these subject.

(4) .....you want to be an astronaut; you also have to be strong. You can't get ill because there aren't (5) .....hospital to go to!

Of course, astronauts should not be afraid of flying! Many of them have (6) .....as pilots before they start learning to be astronauts.

To do this job, you also need to speak (7) .....than one language because astronauts work with people (8) .....lots of different countries.

It is also important that astronauts are friendly and they should enjoy (9) ..... with other people. This is because the people in a spaceship have to live and work together in such (10) .....small space.

Example	which	where	who
1	do	have	are
2	at	in	for
