

Playground designer: Good morning, everyone! We're going to work together to plan your new playground. Your playground will have two towers. What will we have between the towers? Will we have a tunnel or a bridge? It's up to you. What would you like?

Child 1: A _____!

Playground designer: OK, we will have a bridge! Now let's choose _____. We can have two slides. There are _____ slides and _____ slides.

Child 1: I want a curvy slide.

Child 4: I want a straight slide.

Playground designer: Well, we can have one curvy slide and one straight slide. Does that sound good?

Child: Yes. That's good!

Playground designer: Let's choose a _____ ladder or a _____ ladder.
