V. Read the passage and choose the correct answer to complete the sentences.

Have you ever felt so passionate about something that you couldn't stop . thinking about it? That overwhelming feeling of excitement and dedication is what makes following your passions so rewarding. For teenagers, discovering their passions can be a significant step towards a fulfilling future.

Passions can take many forms. It could be a love for music and playing an instrument, a fascination with science and conducting experiments, or a talent for writing and expressing oneself creatively. When teenagers pursue their passions, they often experience a sense of purpose and motivation. They become eager to learn, develop new skills, and overcome challenges.

However, focusing on a passion isn't always easy. There may be times when friends seem more interested in different things, or family expectations can seem at odds with personal aspirations. It's important to remember that pursuing a passion requires commitment and perseverance. There will be setbacks and moments of doubt, but the feeling of accomplishment and satisfaction from pursuing something you truly love is worth the effort.

1. What is the main idea of this passage?

A. Teenagers should be pressured to find their passion. B. Following your passions can lead to a fulfilling future.
C. Friends and family always support your passions. D. There is only one right passion for everyone.
