"Coffee Truth or Hype?" (Passive Voice Fact Check)

Student Task:

1. Read each sentence carefully.
2. Decide if it is true or false based on the video content.
3. Rewrite the false ones using the correct passive construction and accurate information (avoid using "by" constructions when the doer of the action is vague).

No.	Statement	True/False	Corrected Passive Version (if false)
1	Farmers grow coffee only in South America.		
2	They roast the beans to bring out their aroma.		
3	Farm owners pay all coffee farmers fairly and treated equally.		
4	After harvesting, they dry the beans in the sun.		
5	Millions around the world enjoy the final product.		
6	Machines today process coffee entirely.		
7	They pick the beans when they are still green.
