

## MATEMATIK TAHUN 5

|                                  |                                                                                                                                            |                  |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|------------------|
| Tema/Bidang : Nombor Dan Operasi |                                                                                                                                            | Tajuk : 3.0 WANG |
| Standard Kandungan               | 3.1 Operasi asas melibatkan wang <a href="https://celikmate.blogspot.com/">https://celikmate.blogspot.com/</a>                             |                  |
| Standard Pembelajaran            | 3.1.4 Menyelesaikan ayat matematik bahagi melibatkan nilai wang dalam lingkungan RMI 000 000 dengan nombor hingga dua digit, 100 dan 1000. |                  |

### 1. Kira cepat

- a)  $\text{RM}342\ 870 \div 100 = \text{RM}$ \_\_\_\_\_
- b)  $\text{RM}765\ 109 \div 10 = \text{RM}$ \_\_\_\_\_
- c)  $\text{RM}519\ 600 \div 1\ 000 = \text{RM}$ \_\_\_\_\_
- d)  $\text{RM}842\ 300 \div 1\ 000 = \text{RM}$ \_\_\_\_\_

### 2. Hitung hasil bahagi.

- a)  $\text{RM}302\ 500 \div 4 = \text{RM}$ \_\_\_\_\_
- b)  $\text{RM}207\ 168 \div 13 = \text{RM}$ \_\_\_\_\_
- c)  $\text{RM}857\ 204.25 \div 35 = \text{RM}$ \_\_\_\_\_
- d)  $\text{RM}616\ 564.80 \div 24 = \text{RM}$ \_\_\_\_\_
- e)  $\text{RM}750\ 580 \div 16 = \text{RM}$ \_\_\_\_\_
- f)  $\text{RM}923\ 056 \div 40 = \text{RM}$ \_\_\_\_\_
