

## Can and can't practice:

|                                                                                                | Sunday                                                                             | Monday                                                                             | Tuesday                                                                              | Wednesday                                                                           | Thursday |
|------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|----------|
| <br>Dad       |                                                                                    |   |                                                                                      |  |          |
| <br>David     |   |   |                                                                                      |  |          |
| <br>Karin     |  |  |                                                                                      |                                                                                     |          |
| <br>Grandma |                                                                                    |                                                                                    |  |                                                                                     |          |

Look at the schedule and circle the correct answer:

- |                                            |              |
|--------------------------------------------|--------------|
| 1. David can meet Grandma on Tuesday.      | True / False |
| 2. Dad can't play basketball on Wednesday. | True / False |
| 3. Karin can dance on Monday.              | True / False |
| 4. Grandma can meet Dad on Thursday.       | True / False |

Write three sentences about the people in the schedule. Use can or can't.

1. David can play guitar on Sunday and Monday.
2. \_\_\_\_\_.
3. \_\_\_\_\_.
4. \_\_\_\_\_.
