**Which situation is an example of a recession-proof business?**

**A.** Jake runs a luxury watch shop. During economic downturns, his sales drop because fewer people spend money on expensive accessories.

**B.** Lily owns a vacation resort. When the economy slows down, fewer tourists visit, and her income declines significantly.

**C.** Marco manages a home cleaning robot store. In a recession, people delay buying high-tech gadgets to save money.

**D.** Sarah owns a small pharmacy. Even during tough economic times, people continue to buy medicine and health products from her shop.

## Match the word to its correct example:

**Words:**

1. **Gamble**
2. **Desperate**
3. **Vary**

**Examples:**

A. Maria applied for 20 jobs in one day, even ones she wasn't qualified for, because she really needed money.

B. The price of vegetables can change from week to week depending on the season.

C. Alex spent all his savings on lottery tickets, hoping he would win big.

## Instructions:
