Dear Graham,

Thank you for sending through your report. I appreciate that you have sent it before the <sup>1</sup> \_\_\_\_\_ of the 30th July. However, in my opinion, you have written the report in a <sup>2</sup> \_\_\_\_\_. As a result, I think it is not of the required high <sup>3</sup> \_\_\_\_\_ that we were expecting. As you know, this was a very important report and as you <sup>4</sup> \_\_\_\_\_ for the <sup>5</sup> \_\_\_\_\_, I thought that you could <sup>6</sup> \_\_\_\_\_ to do it. I can see now that you couldn't. This now puts me in a very difficult <sup>7</sup> \_\_\_\_\_ as I must present this report in an important meeting on Monday. As you know, the idea in this report has already attracted a lot of <sup>8</sup> \_\_\_\_\_ from various managers, so it is very important that we are clear about how we are going to <sup>9</sup> \_\_\_\_\_ the new plan. I don't think you have explained the process at all well. You also haven't mentioned the <sup>10</sup> \_\_\_\_\_ that we expect to happen. I will have to think about what <sup>11</sup> \_\_\_\_\_ to take about this and I will need to talk to your manager. I am now <sup>12</sup> \_\_\_\_\_ to work on this report myself this weekend.
