

Are there any other flights?

Can you get me on it?

You mean I can't get on it?

I need to catch a connecting flight to San Francisco.

But there's no guarantee I'll get on it, right?

A: My flight just got here from Boston.

B: I'm afraid that flight is overbooked, sir.

A: What am I going to do now?

B: There's another flight departing for San Francisco at 11:10 a.m.

A: Great!

B: I'm afraid it's full. But I can put you on standby for that flight.

A:

B: No, sir. I can't guarantee you'll get on it.

A: Well, I need to be in San Francisco for a wedding this afternoon.

B: Well, our partner airline, World Jet, has seats on a flight to San Francisco. It leaves at noon.
