PHOTO CONTEST

TANYA

Last November my parents gave me a camera for my birthday. I started taking photos of flowers, butterflies and cats and used some of them for a school project with the Art teacher. When she saw them she told me I should take part in the school photo contest because this year's theme was 'Creatures'. I couldn't believe it when I found out my photo was chosen as the best of all!

GABRIEL

I often use my mobile to take photos when I see a beautiful landscape. My favourite subjects are sunsets, especially at sea. Last summer I took a photo of the sun going down when I was on holiday in Spain. It looked as if it was actually diving into the water! I decided to enter the school photo contest because all my friends loved it and said its colours were amazing. I didn't win any prize but the judges told me it was a lovely picture.

ALEXANDER

My uncle is a magazine photographer and I'm his greatest fan. A few years ago he gave my an old camera he didn't need any more. I had to learn how to turn film into photographs. It's not like printing them out as it takes a long time and you need a dark room and special equipment. Anyway, my father said I should enter the school photo contest with a picture I took of a spider web on a wet day. I'm glad I did because I got the second prize!

SUMMER CAMP IN EDINBURGH

by Emma Lee, age 12

I've just come back from a summer camp I did in Scotland and I'd like to tell you about it. It was my very first holiday without my family so I was a little worried at first. My mother drove me to the airport early in the morning and by quarter to seven I was on the plane by myself.

The flight lasted one hour and a half. During the journey, I made friends with another girl, Ida, who was going to the same summer camp. She was from Denmark but her English was quite good. When we arrived, we found a young lady waiting for us just outside the airport.

The summer camp only lasted twelve days, but I did so many things that it seemed much longer. In the morning we could do different activities: I really enjoy art so I chose a drawing course and improved my cartoon drawing skills. We also did sports I often do, like horse riding, table tennis and football.
Ida also asked me to join the guitar course so now I can play a few songs.

When I came back a few days ago I was glad to see my family again, but I was also a little sad because I was going to miss my new friends from the summer camp. Anyway, Ida and I text each other every day and she promised she will visit me next month.
