

Unit 3.2 Do you have brothers and sisters?

- 1 Reread the text on p. 34 of the Student's Book and answer a–e. True (T) or false (F)? Correct the false sentences.

The next king

The royal family is the most famous family in the UK. Queen Elizabeth and her husband Philip are very old, and their son Charles is next in line to be king, and after him, his first son William. (William's brother Harry is not in line.) William has three children: two sons (George and Louis) and a daughter (Charlotte). Kate is their mother. George is third in line to be king after his father and his grandfather.

- a The name of the family is the royal family.
- b The Queen's name's Elizabeth and her husband's name's William.
- c Charles has two children – a boy and a girl.
- d Charlotte is William's only daughter.
- e Charlotte's mother's name's Elizabeth.
- f Her brothers' names are George and Louis.
- g Charles isn't next in line to be king.
