My little sister, Mia, didn't with me about sharing the last cookie. We both to be fair, but that cookie looked too good! Finally, we to cut it in half. It was a good plan.

After that, I needed to my science project. I was trying to learn about space, but it was a bit hard. I tried to getting distracted by my phone, which was a challenge! My teacher said I can't feeling sleepy if I stay up too late. I guess that's true for most too.

One day, I to invent something amazing, maybe even a for hiccups! I don't trying many times until I get it right. It would be a funny invention, right? Maybe I'll start working on it this weekend.
