Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions from 36 to 40.

I am a pop singer, and I live in the center of London. I really enjoy it because there is always something going on, and there are always people around, no matter what time it is. Many famous people like it here too. They come for the great restaurants and shops.

I have lived here my whole life, when I was a child, I took singing lessons at a place near my home. At first, I was afraid of the teacher, and some of the songs we practiced were quite difficult. But the teacher was very good, and I learned many things that helped me in my career.

These days, when my friends visit, I love showing them around the city. You can take a bus
