Task Two Listen and click the correct words.

It's 2 am in your car, windows **down** / up,
 past my street the memories start
 You say it's in the **past** / future
 You drive straight ahead
 You thinking that I **love** / hate you now
 Cause you still don't know what I never said.

CHORUS

I wish you would **go** / come back
 Wish I never hung up the phone like I did
 I wish you knew **that** / this
 I will never forget you as long as I live
 I wish you were right **there** / here, right now.
 It's all good. I wish you would

It's **two** / three a.m. in my room
 Headlights pass the window pane.
 I **think of** / remember you.
 We were crooked love
 In a straight line **round** / down
 Makes you want to run and hide
 It'd make you turn straight back around

CHORUS

I wish we could go **back** / there
 And remember what we were fighting for
 I wish you knew that
 I miss you too much to be **mad** / angry any more
 I wish you were right here, right now
 It's all good

You always knew how to push my buttons
 You give me everything and **something** / nothing
 This mad, mad love makes you come running
 Stand back where you **stood** / would
 I wish you would, I wish you would
 I wish you would I wish you would

Two a.m. here we are
 See your face, hear my **song** / voice in the dark
 We're a crooked love
 In a straight line down
 Makes you want to run and hide
 But it made us turn **right** / straight back around
