

# LISTENING

## STRANGER THINGS

### Glossary:

- **Telekinetic Powers:** the ability to move or manipulate objects with your mind, without physically touching them.
- **Parallel World:** a world that exists alongside our own but is different in some way, often with its own rules and realities.
- **Upside Down World:** a dark, dangerous version of our world in *Stranger Things*, also known as the **Upside Down**, where monstrous creatures come from.
- **Lift:** to raise something from a lower position to a higher one, often using physical or mental strength.
- **Throw Objects:** to propel something with force through the air, usually by using one's hand or, in Eleven's case, her mind.
- **Fight:** to engage in a battle or struggle to defeat an enemy or overcome an obstacle.
- **Creatures:** living beings, often unusual or fantastical, that may pose a threat.

**Listen to the audio carefully and complete the sentences below with the correct word from the options provided.**
