

Have you ever seen a leprechaun?

Have you ever seen a
Little green and boots so brown
Have you ever seen a leprechaun
Can you catch one sneakin' around

He's got a secret
Hiding at the end of a
And you can try to find it but you'll never win
Get a four leaf and try again

Have you ever seen a leprechaun
Tiny little trickster from

Have you ever seen a leprechaun
Maybe just maybe you can make him your friend
