Part B: Describe your weekend routine. Be sure to tell when and how often you do the activities. Use the description below as a model.

My Weekend

On **Saturdays**, I **usually** wake up at 7:00 AM. I **always** drink coffee and eat bread. Then, I **often** go to the market to buy fresh fruits and vegetables. I **never** work on **Saturdays! In the afternoon**, I **sometimes** visit my family or friends. **In the evening**, I **usually** watch TV or read a book.

On **Sundays**, I **always** sleep a little more, until 8:00 AM. I **often** go to church in the morning. After church, I **usually** have a big lunch with my family. We **sometimes** have barbecue! **In the afternoon**, I **rarely** go out. I **usually** relax at home. **In the evening**, I **always** prepare for the new week. I **never** stay up late on **Sunday**!
