## WORKSHEET

FFs 1-Practice

Teacher's feedback

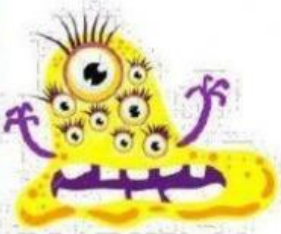

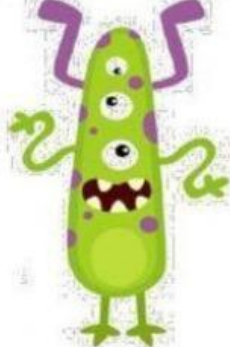

### Task 1: Read and choose the correct words.

( Con đọc và chọn đáp án đúng nhé.)

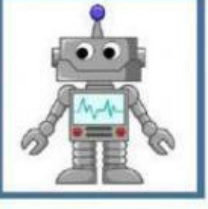

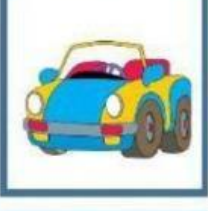

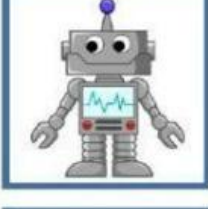

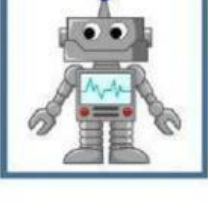

Hello! My name is Tracy. I'm seven years old. I'm in class Canada. *This/ These* are my toys. This *is/ are* a dinosaur. It's green. This is a ball. It's *samal/ small*. I have three *bikes/ bike*. It's yellow and black. My favorite toy *is/are a teddy*. It's brown. It has two ears, one nose, one mouth, two arms and two legs. I love my toys because it's cute.

**Task 2: Count and write the numbers.** ( Con đếm và viết số nhé.)

|                                                                                                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                      |
