LISTENING SONG

By Jace Everett

"Bad Things"

..... you came in the air out
And every filled up with
I know you think are
But the night is
I do bad with you

I'm the to sit in his room
..... sick an' eyes up with blue
I don't what you've to me
..... I know this is true
I do bad with you, okay

..... you came in the air out
And all shadows filled up with
I know you think are
But the night is
I do bad with you
I do bad with you

I don't what you've to me
..... I know this is true
I do bad with you
I do bad with you
