24 hours in … Cairo

Cairo is the capital of Egypt. It is a beautiful city and there are lots of things to see and do. Here are some ideas of where to go if you only have one day in this lovely place.

1 Get up early and take a taxi to the Pyramids at Giza. There are three big Pyramids (the Great Pyramids) and lots of small ones. They are over 4,500 years old. You can also see the Sphinx, a famous monument of a lion with a man's head. You don't have time to go in the Pyramids, but you can take great photos.

2 Your next stop is the Egyptian Museum. It's very big – there are over a hundred rooms! There are lots of really interesting things here. You can see old paintings, clothes, money and, of course, the famous mask of King Tutankhamun.

3 In the afternoon, take the bus to Al Azhar Park. Here you can walk through the gardens or sit by the lake and relax. From the park, you can see old parts of the city and the Citadel, a very important building in Cairo.

4 Your last stop is Khan Al Khalili market, a very big street market. There are hundreds of small shops here. You can buy lots of different things, but our favourites are lamps and rugs. Stop for a cup of coffee and a cake at one of the cafés if you're hungry.
