Abracadabra

Pay the toll to the angels

Drawing circles in the [red box]

Keep your mind on the distance

When the devil turns around

Hold me in your heart tonight

In the magic of the dark [red box]

Save me from this empty fight

In the game of life

Like a poem said by a lady in [red box]

You hear the last few words of your life

With a haunting dance, now you're both in a trance

It's time to cast your [red box] on the night

Abracadabra

Amor oo na na

Abra ca da bra

Morta oo gaga

Abracadabra

In her [red box] she said

Death or love tonight

Abra-ca-dabra

Feel the beat under your feet

The floor's on fire

Abra-ca-dabra

Abracadabra

Choose the road

On the west [red box]

As the dust flies

Watch it [red box]

Don't waste time on a feeling

Use your passion

No [red box]

Hold me in your heart tonight

In the magic of the dark moonlight

Save me from this [red box] fight

In the game of life

Like a [red box] said by a lady in red
