

Match the situation

match each sentence (expression) in the left column with its function in the right column: whether it is a suggestion or an offer.

Would you like a glass of milk?

Your friend look tired

Let's take a break

Your classmate forgets lunch

Shall i help you with your bag?

You feel bored after studying

Your friend look tired and is carrying a heavy backpack

How about reviewing the material together?

Your classmate confused about the homework

Can i carry your bag for you?
