

Are you someone that I can give my heart to?

Or just the poison that I'm drawn to?

It can be hard to tell the difference late at night

Play fair, is that a compass in your nature?

Or are you tricky?

'Cause I've been there

And baby, I don't need to learn my lesson twice

But if you really wanna go there

You should know I

I need someone to hold me close, deeper than I've ever known

Whose love feels like a rodeo, knows just how to take control

When I'm vulnerable, he's straight-talking to my soul

Conversation overload, got me feeling vertigo

Are you somebody who can go there?
