LIVEWORKSHEETS

9 Read. Then write Yes or No.

Look at this salad. There are a lot of colors in a salad – red, green, orange, and yellow!

There are foods from different food groups. There's fish and there are eggs. They're in the protein group.

There are foods from the fruit and vegetable group, too. Can you see lettuce, cucumbers, and tomatoes?

There isn't any food from the grain group. You can eat some bread with this salad. There isn't any food from the dairy group. But this salad is healthy. You can eat ice cream after the salad!

1 There's food from only one food group. No

2 There are foods from the protein group. _____

3 There are some potatoes. _____

4 There's food from the grain group. _____

5 There isn't any food from the dairy group. _____

6 This salad is healthy. _____
