Part 3

PET 01, T3P3

Man:
Good morning. You've all booked the trip to **1. .....** tomorrow, and I'd like to explain the arrangements for what will be a great day out.
This is one of our most popular trips so you're sure to **2. .....** it.

We're meeting at eight o'clock in the morning as the bus will go at exactly **3. .....** past eight.
This is instead of the usual departure time of **4. .....** thirty.
The reason for this is that, after picking you up, we've got to **5. .....** a number of passengers from other hotels.

To get on the bus, please **6. .....** at the entrance to the hotel rather than at the **7. .....** desk, which gets quite crowded in the mornings.

So to the trip itself. Our first stop will be at a **8. .....** ruin just outside Gulum.
It used to be a **9. .....**. I'm sure the guide mentioned it during the tour of the ancient **10. .....**, if you went on that yesterday.

Afterwards we'll drive on to the Wakizi Restaurant on the Gulum River for lunch. That's spelt **11. .....**, by the way – do check their menu online – it's fantastic!
There'll be plenty of time to take **12. .....** while we're there.

In the afternoon, we'll stop at Gulum **13. .....**, where there's a choice of activities to do.
One option is to go **14. .....**. The variety of fish species on this part of the **15. .....** is quite amazing.

For those who like **16. .....**, we're organising a competition on the beach.
Unfortunately, at this time of year, **17. .....** isn't possible due to the lack of **18. .....**.

We'll provide **19. .....** and beach chairs, but please don't forget the **20. .....**,
as the temperatures are very high – you'll need it even on a **21. .....** day!
