

T : Hi, Kim!

K : Hi, Tom! <sub>1</sub> \_\_\_\_\_ you have a good weekend?

T : Yes, I <sub>2</sub> \_\_\_\_\_ ! It <sub>3</sub> \_\_\_\_\_ really nice.

K : What did you do?

T : I <sub>4</sub> \_\_\_\_\_ my dog and <sub>5</sub> \_\_\_\_\_ my room Saturday morning. Then I helped my mum cook dinner.  
We talked and laughed a lot.

K : Did you <sub>6</sub> \_\_\_\_\_ anywhere Saturday evening?

T : No, I <sub>7</sub> \_\_\_\_\_. I stayed at home and <sub>8</sub> \_\_\_\_\_ a new computer game. How was your weekend?

K : It was not so interesting. My sister asked me to help her with Maths, Geography and History homework.

T : Oops, did you <sub>9</sub> \_\_\_\_\_ that all weekend?

K : Yes, I did! There <sub>10</sub> \_\_\_\_\_ so many exercises! So when we finished the homework, Ann and I were very happy  
but we didn't want to do anything else.

T : <sub>11</sub> \_\_\_\_\_ you have time to prepare for our ICT test?

K : Wait, ICT test? Is it today?

T : Yes, it is.

K : Oh, no.

T : We still have two hours to get ready. Let's go, I know how to help you!
