Hi, I'm Emma. I like doing many fun things in my free time. I really like riding a bike and playing the piano. I can ride fast and go to the park. I also like dancing with my friends. It's fun and good exercise!
My brother, Tom, is different. He doesn't like dancing, but he loves playing the guitar. He can play many songs. He also likes swimming in the summer. I don't like swimming because it's too cold.
Recently, our parents let us choose a sport to try during the holiday. Tom chose skiing. He can't ski, and I can't either, but we both want to learn. It looks exciting!
Last holiday, we went to our uncle's farm and tried riding horses. We both liked it a lot.

1. What does Emma like doing?

A. Playing the guitar | B. Riding a bike | C. Swimming

2. Why does Emma like dancing?

A. Because it's fun and good exercise | B. Because she does it every day | C. Because her brother likes it

3. What does Tom like doing?
