A Healthy Barbecue

When you go to a barbecue, it can be difficult to find healthy food. There's usually a lot of red meat, chips, and desserts. Eating a little of these foods is OK, but eating a lot is not good for you. Next time you go to a barbecue, bring a bowl of salad or a plate of vegetables. A fruit salad is a great idea for dessert. And instead of soda, drink water.

If you are having a party at your house, make sure there is some fish on the barbecue. Fish is a healthier choice than red meat. And you can also make shish kebabs: meat and vegetables on a stick. There are many ways to enjoy a delicious and healthy barbecue.
