

Isela	Hi, Zac. Did you have a good weekend?	Zac	Well, they didn't make me scared at all! I found it predictable. The Jedi won, again!
Zac	It was all right. I went to see the new Star Wars movie.	Isela	Of course! And the ending was really moving. It made me cry ...
Isela	So did I! What did you think?	Zac	Yeah, that was probably the best part. But horror movies are so much better. I'm not a big fan of sci-fi ...
Zac	The trailer looked good, but the movie didn't live up to my expectations.	Isela	I am! I love it. I can't wait until the next movie's released!
Isela	Seriously? I absolutely loved it!	Zac	Well, don't ask me to come with you! I can't watch another Star Wars movie!
Zac	I wasn't impressed. I thought the beginning was too slow.	Isela	Zac, cheer up ...
Isela	But the rest of it was exciting—there were a lot of cliffhangers! My favorite part was when the Jedi fought off all of those scary creatures.	Zac	It's Monday morning. What do you expect?!
