

Come up to you, tell you I'm sorry
You don't know how you are
I had to, you, tell you I need you

Tell you I set you apart
Tell me your, and ask me your questions
Oh, let's go back to the start

Running in circles, up tails
Heads on a science apart
Nobody it was easy

It's such a, for us to part
Nobody said it was easy
No one ever said it would be this hard

Oh, take me back to the start
I was just guessing at and figures
Pulling the puzzles apart
Questions of science, science and progress

Do not speak as loud as my heart

But tell me you love me, come back and haunt me
Oh and I rush to the start
Running in circles, chasing our tails

Coming back as we are
Nobody said it was easy
Oh, it's such a shame for us to part
Nobody said it was easy
No one ever said it would be so hard
I'm going back to the start
Oh ooh, ooh ooh ooh ooh
Ah ooh, ooh ooh ooh ooh
Oh ooh, ooh ooh ooh ooh
Oh ooh, ooh ooh ooh ooh
