How to Raise Money for Your School Group

High school groups often need to raise money for special events. Sports teams need to pay for travel to games in other cities. High school art clubs and musical groups need money to perform shows. But what's a good way for teens to raise money?

Here are some ideas:

Car Washes: Collect cleaning materials from everyone in the group and plan a day to wash people's cars. The price can be five dollars a car.

Bake Sales: Get together to bake cakes and cookies. Set up tables in the school cafeteria for a bake sale. A good bake sale can make \$100 in one day.

Juice Sales: Make fresh fruit juice for students and teachers in the school. Get everyone in your club to bring different fruit and a juice maker.
