

Read the dialogue between two friends discussing their plans for the summer and the pros and cons of staycation versus vacation. Match the underlined words to their explanations on the right.

**Dialogue:**

**Anna:** Hey, do you have plans for the summer?

**Alfie:** Absolutely! I'm planning a cool staycation.

**Anna:** Staycation? Why don't you go somewhere new?

**Alfie:** Well, that is also nice. I can relax and not worry about (1) **packing** or (2) **catching flights**.

**Anna:** But don't you get bored? When you go on vacation, you get to try new food and meet new people!

**Alfie:** That's true, but I can try new things at home too. I could cook a (3) **foreign** dish or learn a new language online. And the best part is – no (4) **jet lag**!

**Anna:** Hmm, I guess that's true. But what about seeing new places? Last year, I went to Paris and it was a dream come true!

**Alfie:** That sounds great. But I also like (5) **exploring** my own city. You'll be surprised by the interesting places you can find!

**Anna:** Haha, you make a good point. Still, I love the (6) **adventure** of travelling.

**Alfie:** And I love the comfort of home!

**Anna:** Fair enough! Maybe I'll (7) **experience** a staycation sometime.

**Alfie:** And maybe I'll pack my suitcase and go on a vacation too.

**Both:** (8) **It's a deal!**
