

Before, After & In Between

'Before' means 'one less' and 'After' means 'one more'.

Let's read :

In the given fig,

7	8	9

7 is before 8

9 is after 8 and

8 is in between 7 and 9.

Similarly,

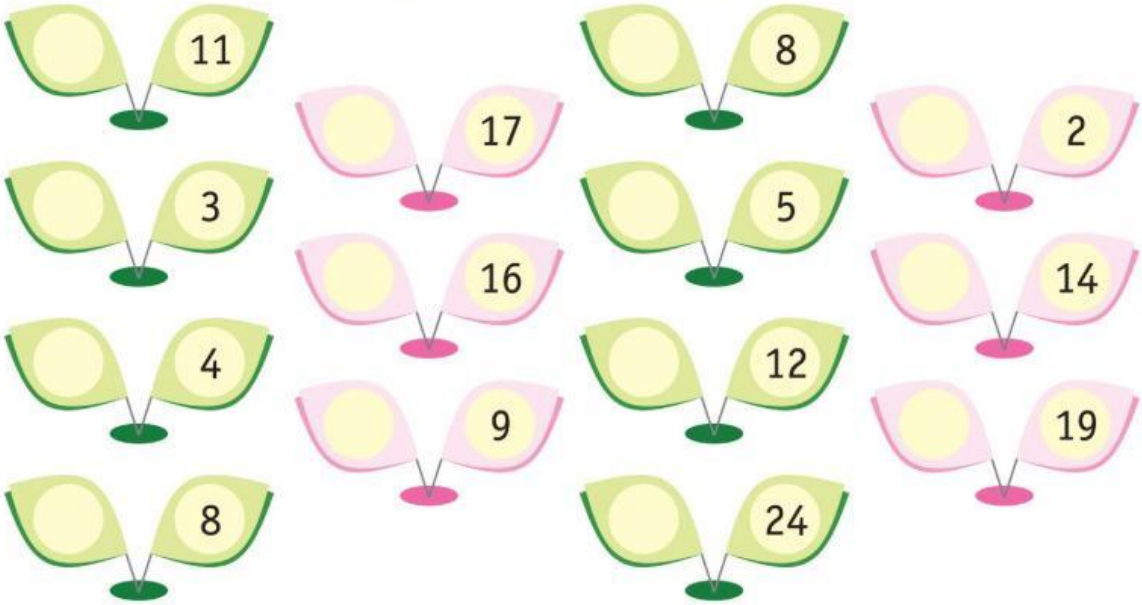

5	6	7

5 is before 6

7 is after 6 and

6 is in between 5 and 7.
