Name:_____

Summarizing

Read the story and answer the questions to summarize the story.

Loose Tooth

Jack is seven years old. He has all his teeth. His friends have lost one or more teeth. They love to see new teeth grow! Jack wants to lose some teeth. But he doesn't have any loose teeth. He wants to see new teeth grow in like his friends. So he wiggles his teeth everyday to check. He doesn't feel any loose teeth. Then a few days later, he had a missing tooth! Jack is so happy. Hooray! Soon he will lose a tooth and meet the tooth fairy.
