Grammar Focus: Conditionals

•First Conditional (**real possibility**):

If we **finish** the prototype, we **will test** it next week.

•Second Conditional (**hypothetical**):

If we **had** more funding, we **would hire** a designer.

Choose the correct option

1.If we (launch / launched) the product now, we (will get / would get) many customers.
2.If the startup (has / had) enough money, it (can / could) expand quickly.
3.If I (am / were) the project manager, I (will improve / would improve) the pitch.
4.The product (will be / would be) successful if it (solves / solved) real problems.
