"What Time Do You Start Classes?"
Name:

_____

My School Day

Hello! My name is Carla and I'm 13 years old. I go to school at 7:30 a.m. every day. My first class is Math at 8:00. After that, I have History at 9:00. In the morning, I also study English and Science. I eat lunch at 12:00 p.m. with my friends in the school cafeteria. On Friday, school finishes at 1:00 p.m., and I go home early. In the afternoon, I do my homework, and then I play with my brother or listen to music. Sometimes, I help my mom in the kitchen. I usually go to bed at 9:30 p.m., but on weekends, I go to bed later.

Answer the following questions:

1. What time does Carla go to school?
→_____
_____
