Anna's First Job

Anna is a student. She is 14 years old and goes to school from Monday to Friday. Last summer, she got her first job. She worked part time at a small bakery near her home. She worked there for one month in July. Her job was not hard, but it was very interesting for her.

Anna worked four days a week, from 9 a.m. to 1 p.m. She helped the baker make bread and cakes. She also cleaned the tables and talked to customers. She didn't have to wear a uniform, but she wore an apron and comfortable shoes. Sometimes she had to work on Saturdays when the bakery was busy.

Anna didn't earn a lot of money, but she was happy. She bought a new backpack for school and saved some money. She said, "I learned how to work with people, and I really enjoyed it!" Anna wants to work again next summer, maybe in a café or a bookshop.
