

WRITING STARTING TEST

One of your foreign friends, Janet Hill, has reached out to you for some advice on things to do in Spain. Answer her message in, at least, 120 words, giving some examples of activities that you might think are worth it and saying why they should try them out.

Hi!

How are you? I hope everything is fine and your family is doing alright.

We're finally coming to Spain, so I wanted to ask your advice on what we should do while we're there. What shouldn't we miss? We'll have our two kids aged 6 and 8 with us so ideally we want to do things we can enjoy as a family.

We've already got a hotel booked in Cazorla and we arrive on 20th July for a week.

I hope you're around so we can meet up!

See you soon,

Janet
