Luke: Well, it's a big school. There are three big buildings, a canteen, a library, a computer room and lots of classrooms.

I like it because the food in the canteen is really good and we don't wear a uniform at my school.

I don't like uniforms, do you?

Sofia: Well, I like uniforms. I think they look smart. What time do your lessons start and finish every day?

Luke: Well, lessons usually start at half past eight, so I get up early to catch the bus to school every day. They finish at half past five. I don't have lessons on Friday afternoon, so I always go to football practice then. My dad usually takes me to football practice, so that I am not late.
