

★ ALL STARS ★ ENGLISH CHECK!

PART 1

Look at the two versions of the sentences. Choose the one with correct punctuation.

A)

*Usually i go to supermarket one once a week
Usually, I go to the supermarket once a week.*

B)

Now, in summer, I buy more healthy foods like vegetables, fresh food from the market, and fruits.

Now in summer, I find to buy more healthy foods like vegetables, fresh food on station, and fruits

C)

My sister never goes to the supermarket because she doesn't like shopping.

My sister she goes never to the supermarket because no like shopping

D)

On the weekends, I go to the supermarket with my family. We buy many things.

in the weekends i goes to supermarket with my family we buy many things

Think to answer in class:

- Which sentences present the information more clearly and using good punctuation marks? Why?
- What intonation can we use in each sentence of your choice?

PART 2

Some students find it hard to remember to add the **FINAL -S** to third-person singular verbs when using the present simple.

Complete the chart:

INCORRECT	CORRECT
She go to the supermarket.	
My dad make a big buy.	
It always pass good music.	
My family shop every weekend.	
This children's playground cost 2,000 euros.	

Think and discuss in class:

- Look at these two versions and select the "correct" one:

He like taking special offers when they are available.

He likes taking special offers when they are available.

- Do you think NOT adding the "-s" to the verb when we talk about "he," "she," or "it" is a big mistake?
- Why do you think this mistake is common among Spanish speakers?
- What can you do to remember this rule?

PART 3

Verbs like: *like, love, enjoy, hate* go with the -ing form of the next verb.

Choose the correct form:

A)

I like to go to the supermarket.

I like going to the supermarket.

B)

She hates to use your automatic check out.

She hates using the automatic check-out.

TO EXPRESS PREFERENCE:
We use the ING structure.

TO EXPRESS GENERAL AND LESS PERSONAL INTERESTS:
We use -to infinitive.

Now you try to fix this sentence:

WHAT MISTAKES CAN YOU IDENTIFY IN THIS LAST SENTENCE?

They hate ask discounts in clothes the shop!

What would you change from this paragraph?

duncan live in a island with jock. he like swim and go to walks with the dog. the castle is big and cold in the winter, because not have electricity. he dont happy when he read the letter of electric company. he say: "i no have 5.000 pounds. what i can do?" he think sell his island and the castle.
