Today, we learned about _____. When we meditate, we don't go
_____. We go _____ our hearts. In life, there are so many
_____. Samatha meditation teaches us to _____. Without focus,
we can't _____. When we focus, we bring our attention to a single _____.
We sit up _____. We can sit in a chair, or we can sit on a _____ on
the floor. We can try sitting in a very old way called _____ position. When we sit up, it helps
us to stay alert or _____. Next, we put our hands in our _____. We
relax. We follow our _____. We count our breaths on the _____
below our nose and above our lips. We sit perfectly _____. If we have a thought,
feeling, or an _____, we gently go back to our breath. Meditation can help us to be
_____.

**TRY SOME MEDITATION EACH DAY IN THE MORNING
OR BEFORE BED! GO INSIDE YOURSELF!**
