

Complete two tasks based on the video

A. Match the grade level to the CEFR level.

In the CEFR-aligned Israeli curriculum, what are the CEFR levels for:

Elementary school students?	Pre-A1 and A1
Junior High students?	A2
3-point students?	A2
4-point students?	B1
5-point students?	B2

B. TRUE or FALSE?

Is the following statement True or False?

A student who is at the B1-level for speaking will also be at the same levels for listening, writing and reading.

True	False
------	-------

FALSE -

Feedback for wrong answer: These levels are not the same across all four language skills - students can be at different levels for each language skill.
