My Plans for the Summer

This summer, I'm planning to do something different. Instead of staying at home or going to the beach like I usually do, I've decided to take part in a two-week English camp in the mountains. The camp starts on July 10th and ends on July 24th. My cousin Emma is coming with me, so I won't feel lonely.

At the camp, we'll have English lessons every morning and exciting activities in the afternoon. We're going to go hiking, play team games, and even try rock climbing! I've never done rock climbing before, so I'm a bit nervous, but I want to try.

In the evenings, there will be fun events like talent shows, movie nights, and international food parties. I plan to join the talent show – I'm going to sing a song in English. I hope I won't forget the words!

After the camp, I might visit my grandparents in the countryside for a few days before school starts again. I want to relax a bit before going back to school in September.

I've invited (47) few people from our swimming club, as well as my friends from school. (48) you think your brother (49) free that day? Please invite (50) to come too. The party's at my house and starts at 8 p.m.
