## Task 3: Write a Short Paragraph

**Instructions:** Write a short paragraph (5–6 sentences) that includes **all five vocabulary words**.

**Example Starter:**

In different **cultures**, the same **signs** can have very different meanings. For example, some gestures are considered rude in one place but polite in another. People often rely on **body language** to express what may be **hidden** in words. I've learned that it's important to pay attention to how people behave, especially if they're **constantly** avoiding eye contact...
