

My school

How many students have P.E. every day for two hours? Not many? Well, I always have P.E. from 2.30 to 4.30. I'm Steve and I want to tell you about my school.

My day starts early. I usually get to school at 8.00 but I'm sometimes late. Lessons start at 8.30. My favourite subject is Geography because I like maps. I don't like Art because I don't paint good pictures.

We have lunch at 12.00 and I often have chicken and chips. I never have fish and chips. In the afternoon we have P.E. I love P.E.! We usually play football or do karate. On Friday we play basketball. My favourite sport is football because I want to play for a big team. We finish school at 4.30. That's late for most schools. But I don't mind because I play sport every day! My sport school is great!
