

Part 1: Multiple Choice (3 questions)

Choose the correct answer (A, B or C).

1. Why have emojis become so popular in the past 20 years?
 - A. Because they are used in Shakespearean texts
 - B. Because they help express emotions in digital communication
 - C. Because they are part of formal grammar

2. What does Professor Vyv Evans say about people who don't like emojis?
 - A. They are often university professors
 - B. They have a positive view of modern communication
 - C. They often have a negative, "jaundiced" view

3. According to research, people who use emojis:
 - A. Are more successful in romantic relationships
 - B. Have fewer friends
 - C. Write worse emails

Part 2: Gap-fill

Write **ONE** word for each gap.

You will hear part of a podcast about how emojis affect communication.

1. Emojis help bring _____ back to written communication.
