- 7 Complete the text with one word in each gap.

Family life (1) changing a lot these days. In some countries, all the members of a family (2) in the same place, sometimes in the same home. However, in other countries, people often have to move away from their home town to find a job when they are ready to start work. They get married and start (3) family away from their parents, and then their children do exactly the same thing. Grandparents sometimes live hundreds of miles away from their grandchildren. Sometimes they are even in (4) different country! This can cause a lot of problems when people (5) older. Sons and daughters can't help their parents when they are ill and they have to go into hospital or special homes. The grandparents are (6) there to help with the grandchildren when they are young. Some parents have to send (7) children to special schools at a young age if they need to go to work. In many countries, this problem is getting worse (8) people are worried that family life is never going to be the same again.
