True/False

Indicate whether the statement is true or false.

Read the passage. Then read each sentence. Decide if each statement is T (true) or F (false).

Hi! My name is Keiko and I'm from Japan. The people in my family all like different foods. My mother likes fish and vegetables. She doesn't like meat or cheese. My father doesn't like soup or vegetables. He likes sandwiches. My brother, Jiro, doesn't drink milk. He doesn't like it. He likes juice and water. I like all foods, but my favorite food is beans. I like soda, but I know it is not good for me. My grandmother doesn't like fruit or vegetables. She really likes rice and fish.

- _____ 5. This passage is about Japanese food.
- _____ 6. When Keiko's family eats at a restaurant, they all choose the same kind of food.
- _____ 7. In the third sentence from the end, *it* refers to beans.
- _____ 8. Keiko's grandmother doesn't like bananas.
- _____ 9. There are four people in Keiko's family.
